Terms of Participation

By registering as a volunteer with Senior Gleaners of San Diego County and attending events that we sponsor, you are agreeing to the following terms of participation:

- The mission of Senior Gleaners of San Diego County is to recover fresh food in order to reduce waste, improve health, and provide reliable access to nutritious food for our neighbors in need. I will conduct myself in a manner consistent with that mission while attending Senior Gleaners of San Diego County sponsored events.
- I will notify my crew leader in a timely manner if, after agreeing to attend a glean, I find that I am unable to attend.
- I will be punctual in arriving at gleans. Instructions are given by the glean leader when the glean is scheduled to start.
